

## Framing your district

Which picture of Wilten Ost would you put into a picture frame? We'd like to have it! There are huge differences in what different people notice or like. This is the theme of our foto contest - a foto of our district that has a special meaning for you and tells us a story.

### Foto contest - Participation info - WiltenWelten

- **Who can take part?**

Everyone who lives, works, goes to school, shops, or is simply interested in the district. Employees and executive committee member of the association PAKT are excluded from participation.

- **How can you take part?**

Pick up an application form and envelope from one of the many points of acceptance (see list below). 3 analogue or digital pictures or one series (up to 4 pictures) per category can be handed in per person or group. Submit a print-out (and, if possible, a CD) of the pictures together with the completed form to any point of acceptance.

To guarantee good quality of digital pictures, you are required to at least use a three megapixel camera at high resolution. If you want to take part in the contest but do not own a camera, pick up a single use camera at the TREWI, Michael-Gaismair-Str. 7, on Wednesdays from 4 p.m. to 6 p.m. (costs for developing are not covered). Fotos taken with mobiles are not accepted.

- **How does the jury judge?**

A jury chooses three winners in each category and group. What matters is not technical perfection but the motive and message of your picture. The fotos will then be displayed in shop windows in Wilten Ost. The award ceremonies will present an opportunity for participants and an interested audience to discuss the selected pictures.
